Dear Ms Goodman, Executive Director, Earthchild Institute,

We would like to thank you for your interest in having the Earthchild Institute collaborate with the Youth and United Nations Global Alliance (YUNGA) and related FAO activities. We can confirm our interest in your collaboration especially in the area of climate change.

To that end, we would like to invite the Earthchild Institute to participate in the YUNGA collaborative initiatives that we are organizing for COP 15 in Copenhagen. In this regards we will be coordinating a number of youth booths, side events and the presentation of a number of products and resources to the media.

Yours sincerely,

Reuben Sessa
YUNGA Programme Director
